## The Best Value In Sight

**enhanced**  
**vision**

Regain your independence with the Merlin Family. These leading desktop video magnifiers provide the ultimate in features and flexibility. Read, write, view photos and work on favorite hobbies with the Merlin that fits your needs and budget.

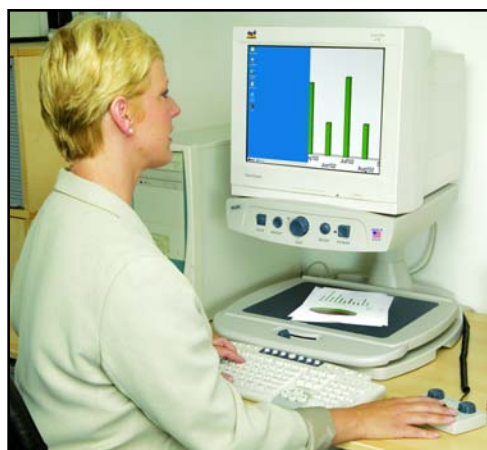

## Merlin

The Merlin video magnifier includes auto-focus, a large work space, superior contrast resolution and optional voice recognition and color select options. Available in color or classic black and white.

## Merlin LCD

The Merlin LCD offers the greatest value and picture quality available. Boasting an ergonomic screen with built-in controls allowing the user to pivot and adjust the screen to offer the ultimate in comfort.

## Merlin Plus

Built for users who want a full-featured system, this computer-compatible video magnifier has it all. Using advance technologies that allow viewing computer files and magnified images simultaneously and uses superior auto focus bringing pictures and documents in clear, crisp focus instantly.

## Merlin features:

- Auto-focus capability for easy viewing of checks, forms, prescription bottles, and more.
- Dial magnification provides the ability to increase images and text from 2.4 to 72x the original size. Magnification will vary with display size.
- Select from the most extensive viewing modes and color select options available.
- Large working space! No other product can compare.
- Exceptionally priced; Merlin is the most feature-rich product.
- Monitors range from 14", 17" or 20" CRT and 17" or 19" LCD.
- High contrast control panel includes easy-to-use tactile buttons.
- Optional voice activation is also available for all Merlin models.
- Brightness Control (Merlin LCD models).
- 3 year warranty with optional lifetime warranty.
- Preset magnification enables you to choose favorite magnification settings with a push of a button (standard Merlin & Merlin Plus models).
- Image locator feature allows you to locate objects at high levels of magnification quickly and easily (standard Merlin & Merlin Plus models).
